Membership is voluntary and open to all persons with either a professional or personal interest in assisting the organization achieve its mandate. Membership is through positive enrolment by acceptance of an application for membership and as such NAVA membership will not be "rolled over" to the new organization. Membership Categories

Voting

Regular members who are Aboriginal Veterans or Aboriginal Serving members

Non-Voting

Associate members who are friends of and/or supporters of the Association/Aboriginal Veterans.

Honorary members are those who the Association honour for their level of support.

We have all served and we exist between two worlds, that of the Euro-centric world and the Traditional world of our Ancestors. AVA will work with its membership to re-establish and retain the dignity that has been lost from our traditional teachings and move forward as strong voices for the new generation of Veterans.
